Answers

A places	B activities
capital city	become a member (of a club)
in the city centre	club event
in the suburbs	debating society
on the coast	integrate into the community
small village	join an association
wealthy neighbourhood	youth club

3 When the students discuss their ranking in pairs, the activity can be extended by telling them that they are going to be sharing accommodation and must reach agreement on the best place to live. Alternatively you could ask them to decide on the best place for:

- group of friends
- young married couple
- family with children
- retired couple
