

Unit 5 Animal world

Teacher's notes and Answer key

1

Suggested answers

circus — elephant
domestic/pet — cat
endangered — tiger
exotic — peacock
extinct — dodo
farm — horse
herd — deer
jungle — monkey
mammal — fox
marine — dolphin
wild — kangaroo

These are suggested answers, but there are other possibilities. This is a good exercise for students to do in pairs, as it should generate some lively discussion.

2

Suggested answers

positive	negative
conservation	cage
feed	decline
live	disappear
native	non-native
natural habitat	threaten
survive	circus
welfare	endangered

These are also suggested answers. This is a good exercise to do in pairs, since there should be some discussion over for example, cage, circus, non-native.

Answers

- 1 wildlife
- 2 ecosystem
- 3 live
- 4 farm
- 5 annual
- 6 rare
- 7 extinct

New word: WELFARE

- 4 This is a good opportunity to practise comparison e.g. 'rarer than', 'not as rare as', 'while'. You may like to make this into a competition with a point for each correct comparison.
