## Unit 6: Song: Guidelines for parents and guardians

Let's do the animal boogie - woof!  
 Let's do the animal boogie - miaow!  
 Let's do the animal boogie - baa!  
 Let's do the animal boogie - moo!  
 Come sing with me and dance with me,  
 For you and me, the animal boogie-woogie!

I like dogs, oh dogs are nice! Woof, woof, woof, woof, woof.  
 I like cats, oh cats are nice! Miaow, miaow, miaow, miaow, miaow.  
 I like sheep, oh sheep are nice! Baa, baa, baa, baa, baa.  
 I like cows, oh cows are nice! Moo, moo, moo, moo, moo!  
 Come sing with me and dance with me,  
 For you and me, the animal boogie-woogie!

And I like the animal boogie too!  
 Woof! Miaow! Baa! Moo!  
 Come sing with me and dance with me,  
 For you and me, the animal boogie-woogie!

*Point to the pictures of the animals. Your child says the name. Or ask Where's the (cat)? Your child points.*

*Point to the speech bubbles on the right and explain that these are the noises the animals make in English. Read them together. Play the beginning of the song. Help your child to draw a line from the dog to the 'Woof!' speech bubble and to repeat the sound. Do the same for the rest of the animals in the song (Cat - Miaow, Sheep - Baa, Cow - Moo). Play the whole song again without pausing. The child points to each animal and the correct speech bubble as he/she sings. Talk about the noises these animals make in your child's language and how to write the words. Are they similar to the English noises or different? The child can also colour the pictures.*
