Number worksheet 18: Guidelines for parents and guardians

Play the audio clip for your child to listen and point to the numbers 81 to 90. Then practise saying the numbers together, with and without the audio. The child then finds the T-shirts with numbers 81 to 90 and circles them. Help him/her to find the T-shirts in the correct order (e.g. Ask Where's 81?). He/She can then colour the T-shirts numbered between 81 and 90. Ask, e.g. What colour is shirt 85? or point to a T-shirt. Encourage the child to reply with the number, e.g. 85 is red.
