Phonics worksheet: b

Look, trace and write. Say.

A vertical writing practice area with a solid top line, a dashed middle line, and a solid bottom line. It contains six dots for starting points. The first two dots have the lowercase letter 'b' written below them. The first 'b' is light gray with a small '1' and a curved arrow showing the counter-clockwise stroke, and a small '2' with a downward arrow showing the vertical stroke. The second 'b' is solid black with similar stroke indicators.
