

31-40

Numbers worksheet: 31-40

▶ Point and say the numbers. Then trace and colour.

Number worksheet 13: Guidelines for parents and guardians

Play the audio clip for your child to listen and point to the numbers 31 to 40. Then practise saying the numbers together, with and without the audio. The child then says the numbers on the sails and uses his/her finger or a pencil to trace the dotted numbers. He/She can then colour the sails of the boats. Ask, e.g. What colour is boat 33? or point to a boat. Encourage the child to reply with the number, e.g. 33 is red.
