

41-50

Numbers worksheet: 41-50

▶ Point and say the numbers. Find and circle the numbers 41 to 50.

Number worksheet 14: Guidelines for parents and guardians

Play the audio clip for your child to listen and point to the numbers 41 to 50 on the sheep. Then practise saying the numbers together, with and without the audio. Help him/her to find the sheep in the correct order (e.g. Ask Where's 41?) and circle. He/She can then colour the sheep numbered between 41 and 50. Ask, e.g. What colour is sheep 45? or point to a sheep. Encourage the child to reply with the number, e.g. 45 is blue.
